Dear Colleagues,

As KESK, we are all shocked to hear of and learn about the sudden death of our comrade Igor Urrutikoetxea Bilbao and we would like to offer our deepest sympathy.

We were truly fortunate to have and to work with such a comrade in our trade unionist struggle. We were truly fortunate to know him.

We offer LAB Basque, his comrades, colleagues and relatives our deepest condolences.

Sincerely,

On behalf of KESK's Executive Board

Lami ÖZGEN
