Message of condolences the European Regional Office of WFTU on the loss of Comrade Igor Urrutikoetxea.

With great sadness we received this morning the terrible news about the loss of our comrade Igor Urrutikoetxea aged just 38 years.

A genuine fighter of the class-based trade union movement, a worthy and trusted member of the World Federation of Trade Unions, and his organization of LAB.

On behalf of the European Regional Office of the WFTU of whom our comrade was a member of the Secretariat, we express to his family and comrades our sincere and deepest condolences.

Our beloved Comrade Igor , you will always be in our hearts.

The European Regional Office of WFTU
